Reports

Financial Report

Fiscal Year Ending May 30, 2020 Financials

W Bearth reviewed the balance sheet, noting the association had over \$198,000 in available cash at the end of the fiscal year. She explained the \$113,020 deposit that has been made to Seal Co for the parking lot is represented on the balance sheet. G Benton informed the ownership the cable and pulley system had to be replaced on the dumbwaiter, creating that general ledger to go over budget. W Bearth reported the HOA ended the year with some excess revenue. The net income for the fiscal year was \$110,517. W Mauro proposed several questions for CBL. W Bearth explained why CBL uses their own credit card for certain online purchases, and CBL will look into some alternatives for the association. CBL will research fencing options for the pool to replace the cover and safety options to prevent guests from jumping off higher floors into the pool. W Bearth explained a slider door's seal failed, and according to the declaration, the slider door is the responsibility of the HOA. The Board will discuss purchasing floor mats and/or a carpet cleaner. W Bearth explained the maintenance flat fee covers building cleaning, pool and hot tub balancing, ground shoveling, landscaping labor, parking patrol, and deck patrol.

Fiscal Year to Date Financials

W Bearth noted the association is under budget one month into the fiscal year.

Excess Income Resolution YE 2020

W Bearth explained the options of paying taxes on the revenue, returning it to owners, or forwarding it to future expenses.

J Steere made the following –

- Motion: Forward excess revenues for the fiscal year ending May 31, 2020 to future expenses
2nd: P Muro
Discussion: W Bearth noted over \$8,000 in excess revenue
Vote: Unanimous approval

Manager's Report

G Benton reviewed the following –

1. *COVID-19: The Public Information Officer has reported that our county is at risk of being moved to the more restrictive 'yellow' zone, as 2 indicators have already been met (3 or more testing positive per day for any 3 days in a 7 day period and the 14 day average is more than 5% positive). Please help keep us in the 'blue' zone by continuing to practice physical distancing, wearing your mask in public and washing your hands frequently. Moving into the yellow zone will put further restrictions on restaurants, retail gathering sizes, and limit occupancy in lodges to 50%.*
2. *Dec Amendment: The HOA's declaration was amended at a special meeting of the homeowners on July 15th. The amendment eliminated mortgagee approval for future declaration amendments and also replaced the requirement for 'as conveyed' coverage with 'bare walls' coverage for the master insurance policy. The insurance adjustment will go into effect on September 15th (2020). CBL has emailed (twice) and mailed information to use when you speak to your agent about adjustments that may be needed for your interior coverage.*
3. *Landscaping: South side garden wood border around the aspen and rocks needed attention. We purchased and cared for flower baskets and mowed and pulled weeds as needed.*
4. *Stucco: Stucco was repaired on the building and those repairs were painted. The east side stucco repair from last year was fixed correctly at no charge.*
5. *Hot tub and pool: We slowed the leak in hot tub which seems to be on the east side. We replaced the hot tub cover and repaired the pool cover. We also repaired the pool cover motor.*
6. *Laundry: We installed 1 new washer and 1 new dryer in the common laundry room.*
7. *Fire Panel: We worked with Superior Alarm and the Fire Department in order to update the fire alarm panel. As of August 1, 2020 the fire panel and all detectors are working. We are ordering and installing updated signage; called CB Electric to replace a breaker; worked with Electronic Solutions on testing the fire panel phone line, and other small items.*
8. *Painting/Staining: CBL stained the railroad tie trim on top of the east side concrete retaining wall – we also painted the concrete wall in order to camouflage the numerous chips and cosmetic damage.*
9. *Cameras: We ran new cables for two security cameras.*

10. *Men's Room: The men's common bathroom was remodeled; it's now sporting a granite counter, new sinks, faucets and stall backsplash and divider. The tile and grout were deep cleaned and the walls were painted.*
11. *Plumbing: We cleared multiple drain lines throughout the year. Please remind your friends, family, and tenants to use only toilet paper and try not put food or grease in the kitchen sinks – even if they use the disposal. We flushed drain lines as needed.*
12. *Dumbwaiter: CB Lodging repaired the dumbwaiter as needed. ThyssenKrupp – elevator company – did some minor repairs to the cabling and lubed cables.*
13. *Parking Lot: CBL did some asphalt patching in the parking lot to get us through the summer. The full replacement of the lot is set for September, the exact day is not yet known and CBL will notify owners in advance.*
14. *South Deck: The SW side of the common deck was shored up. Repairs or replacement for the entire deck are included on the capital plan.*
15. *Fire Extinguishers/Smoke Detectors: The fire extinguishers were recertified in the fall of 2020. Please remember CBL will need access to all Three Seasons units for these inspections and cleanings. Please remind your guest to not remove smoke detectors – there are stickers on the building smoke detectors informing folks that there is a \$200 fine for removing the detector. Removing the fire detector can cause the alarm to go off in the entire building and be very costly to have it reinstalled, please call us if you need assistance.*
16. *Balconies/Decks: CB Lodging repaired unit decks as needed and then stained unit decks.*
17. *Dumpster: Waste Management will not take discarded electronics. Gunnison's recycle center is open the first Monday of every month. The recycle center charges by the pound and CBL charges mileage, so it's a savings for homeowners to mark their calendar and bring down their TVs, printers and other electronics on the first Monday.*
18. *Please inform your unit manager, tenants, and Realtor that they can retrieve Rules and Regulations, Declarations, and other important items from the Three Seasons website: www.3seasonscb.com ...*
